Douglas Mylen

Dedication

We, the Senior Class of 1967, proudly dedicate our TORCH to show our deepest respect to the memory of Douglas Mylen.

Through our years together, Doug gave encouragement, compliments, sympathy and humorous moments to everyone. He loved his class and held each person in it in high esteem. He was a sincere friend to each and everyone of us and sincerity in return was his reward.

Doug had the qualities of character not easy to attain; he attained them and so will remain in the memories of his classmates for the rest of our entire lives.

In deepest sincerity,

The Senior Class of 1967

Our Principal, Mr. Noble Wright

We, the TORCH staff of 1967, are proud to pay special recognition to the new addition to our administration, our Principal, Mr. Noble Wright.

Mr. Wright came to our high school in the Fall of 1966 from the position of Principal at Homer High School. The position of principal holds much honor but it is one that also requires much integrity, patience and tact. It takes a person with all of these qualities and many more to fill the position such as this and we feel that Mr. Wright has done his job very efficiently.

There are always many problems connected with undertaking the responsibility of a new school system. We certainly hope that any disappointments have been forgotten in the more happy moments of pleasure.

Here is wishing you much success in your future years at A.H.S.

Sincerely,

The Torch Staff of 1967

ADMINISTRATION

Superintendent

Pauline Lawrence - Unit Secretary

Leon Sitter

To the Seniors may I offer my sincere congratulations for both the publication of this Torch and for completing the requirements for graduation.

I hope you will place this yearbook alongside the last three and together they will bring you much pleasure as you review a pictorial record of your years at Arcola High.

Principal

My congratulations to the Class of 1967. May the years ahead of you be full of the joys and expectations that you have been preparing for here in AHS.

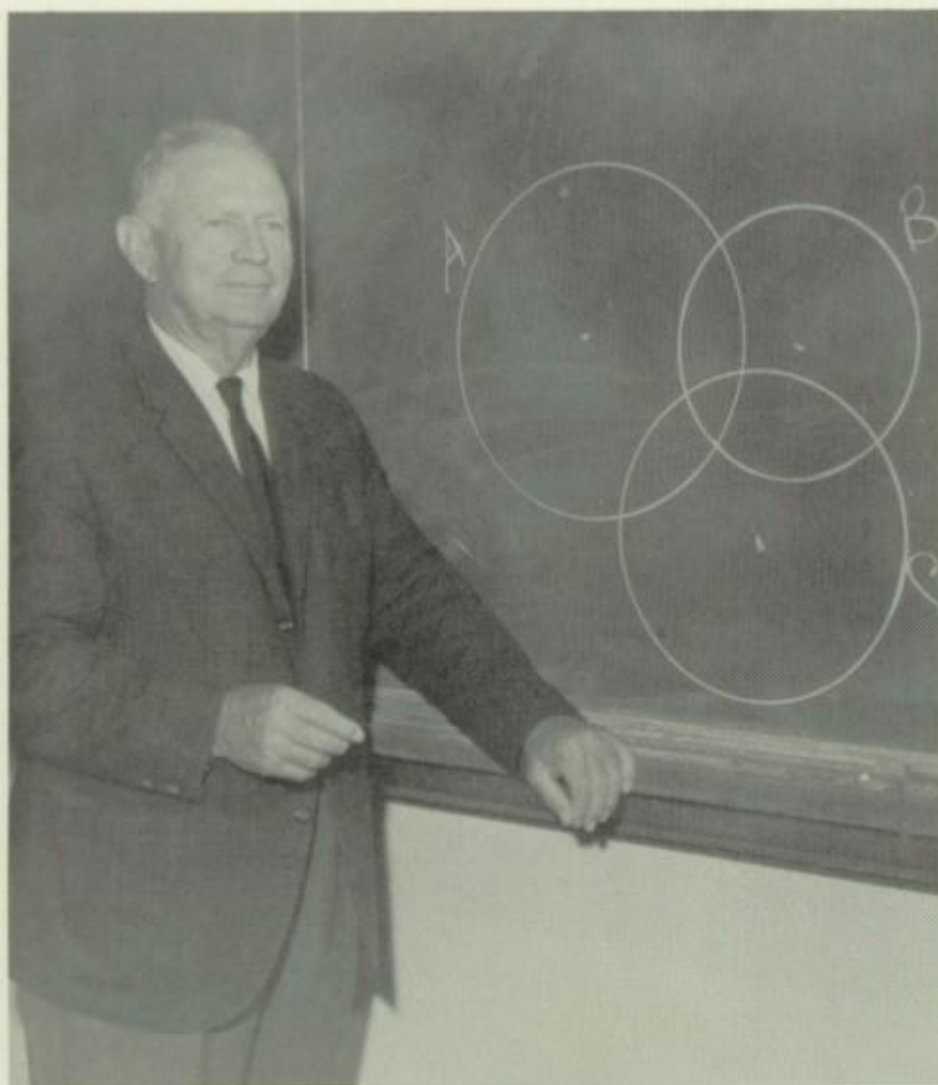

I hope that this book will serve to remind you of the most wonderful time of your life, of your work, your play and many thrilling moments. May it also remind you of the ambitions, hopes and goals of youth and inspire you to continue to seek the highest and best that is within your reach.

Noble Wright

Our Faculty . . . At Their Best?

SENIORS
1967

Senior Class

OFFICERS: Dwight Lindsey, Treasurer; Bill Moody, Vice-President; Mary Trimble, Secretary; Ken McLane, President.

Class History

In the Fall of 1963, the Senior Class of 1967 stormed into the halls of AHS as Green Freshmen. All 74 members of our class were inexperienced, yet eagerly anticipating new experiences. Our class officers for this year were Mike Carson, President; Carter Strader, Vice-President; Jo Ann Otto, Secretary; and Cindy Daugherty, Treasurer. Our class colors were green and white, and for our class flower, the lavender spider mum was chosen. Homecoming that year was the greatest thrill of all, even though our float didn't place. Mary Kay Portugal and Dwight Lindsey were selected as our attendants. Our first year was completed remembering some great times. Now we were looking ahead to our Silly Sophomore year.

We had four more students when we entered our second year. From our 77 members we chose Lorna Wingler as President along with the assistance of Ron Ghere as Vice-President; Becky Browning, Secretary; and Mary Portugal as Treasurer. The main attraction this year was getting our driver's license. Again this year our float didn't place. Our attendants were Sandy Davis and Jim Cunningham.

Our Junior year---finally we were ranked as UPPERCLASSMEN! There were fewer of us this year, 71 to be exact. This was our biggest year. Officers consisted of Dick Biggs, President; Ken McLane, Vice-President; Bonnie Thompson, Secretary; and Connie Nacke, Treasurer. We sold magazines to boost our funds for the Prom which turned out beautifully. The theme was "In An Old Dutch Garden" and the color scheme was pale yellow and mint green. Again our float didn't place but we were use to that by now. Ken McLane and Lorna Wingler represented our class in the Homecoming Court. Now that we look ahead we see that we have only one year left.

Now we are proud Seniors. Our years have been rough but worthwhile. Now there are only 68 of us. Each and everyone of us have changed in some respect from our entry in 1963. During our last year Ken McLane served as President; Bill Moody, Vice-President; Mary Trimble, Secretary; and Dwight Lindsey, Treasurer. Our last try on floats proved just as unsuccessful as all the others but the time was enjoyed. Cindy Daugherty reigned as Homecoming Queen with Carl Vandever as Homecoming King. At the Christmas Dance, Mary Williams and Ron Ghere were Crowned Mr. & Miss Mistletoe. Our Senior Class Play proved to be the biggest success ever as we presented the musical, "Oklahoma". The Torch was soon finished and graduation was finally upon us. Before we realized it our high school days had slipped away and we had graduated. All we have now are the wonderful memories and the lifelong friendships we gained at Arcola High.

The Torch Staff of 1967 has tried to present to the student body and the general public a book which will introduce faces and explain the student life at AHS. We hope this book will help the graduating Seniors in remembering all the good times they had during their last year at Arcola High. We have tried to make this book a book which you will enjoy, as well as cherish, in the years to come. We hope you will enjoy the TORCH as much as we have enjoyed planning it for you.

Sincerely,

1967 TORCH Staff
